Instructions | 说明:

1. Look at the sample “**Orthographic**” and “**Isometric**” drawings to the left of these instructions.
看左边的正视图和等距图。
2. Reproduce (draw) these diagrams at a “**scale of 400%**” in the space provided below.
在下面提供的图纸中以400%的比例绘制这些图。
3. Start in the bottom right corner. Your starting point has been marked with a “**black dot**” (use this reference point so that you do not run out of space).
从右下角开始。起点已用黑点标记出来（请使用此黑点为起点，以免空间不足）。
4. Your final drawing should include “**reference lines**” and “**labels**”. Please note, the sample image does not have “**reference lines**” or “**labels**” shown.
最终的绘图应该包括“参考线”和“标签”。请注意，左边样品中并没有给出“参考线”和“标签”但你的绘图需要标注。
