## Character Adjective Activity # 2 人物形容词活动# 2

**Instructions:** Write a 300-500 word autobiography using the 'character adjectives' that you learnt in this project. Make sure that you look at, and use the ideas that you came up with when you determined the 10 character adjectives that you felt described you the best. You are also required to clearly identify all of the 'character adjectives' that you use in your autobiography: you can write the 'character adjectives' in a different colour, or you can underline them.

**说明:** 用你在本课中所学的“人物形容词”写一篇 300 - 500 字的自传，并使用活动1中你选的最能描述你的形容词。在你的自传中，必须清楚的标注出你运用了哪些人物形容词，可以用不同颜色笔标记或画下划线。
