托福字典标题

Level	TASK DESCRIPTION	Score
5	<p>A project at this level accomplishes all of the following:</p> <ul style="list-style-type: none"> • All of the assigned words have been completed by the student; • all of the answers are legible (written neatly) and the key vocabulary has been clearly identified in the provided examples; • all of the provided examples or definitions are clear and accurate; • and there are no noticeable grammar errors throughout the entire project. 	
4	<p>A project at this level accomplishes most of the following:</p> <ul style="list-style-type: none"> • The majority (90% or more) of the assigned words have been completed; • all of the answers are legible (written neatly) and/or key vocabulary has been clearly identified in the provided examples; • the majority of the provided examples or definitions are clear and accurate, • but there may be some small grammatical errors throughout the project. 	
3	<p>A project at this level accomplishes most of the following:</p> <ul style="list-style-type: none"> • Most (75% or more) of the assigned words have been completed; • the majority of the answers are legible (written neatly) and/or all of the key vocabulary has been clearly identified in the provided examples; • the majority of the provided examples or definitions are clear and accurate; • but there may be some grammatical errors throughout the project, however these errors do not limit the teachers ability to understand what the student's intended meaning was in each of the provided examples. 	
2	<p>A project at this level reveals one or more of the following weaknesses:</p> <ul style="list-style-type: none"> • Only half of the project was attempted by the student; • the provided answers may be difficult to read but are still legible; • many of the provided examples or definitions may not be clear or accurate; • and there are many grammatical errors throughout the project which make it difficult for the teacher to understand what the student's intended meaning was for some of the provided examples. 	
1	<p>A project at this level is seriously flawed:</p> <ul style="list-style-type: none"> • Less than half of the project was attempted by the student; • the provided answers are difficult to read or are completely illegible; • many of the provided examples or definitions are inaccurate; • and there are significant grammatical errors throughout the project which make it difficult to for the teacher to understand the student's intended meaning for many of the provided examples. 	
0	<p>A project at this level does not meet expectations:</p> <ul style="list-style-type: none"> • The project is illegible, the majority of the answers that have been attempted are incorrect, or the entire project has been left blank.
